

Investment Portfolio

I want to save 100% of my salary every month, so this is what I will be doing

- ➔ My net salary is 3000.00 so saving all for 1 year will be 36000.
- ➔ My plan is to feed myself with a side income and save my salary

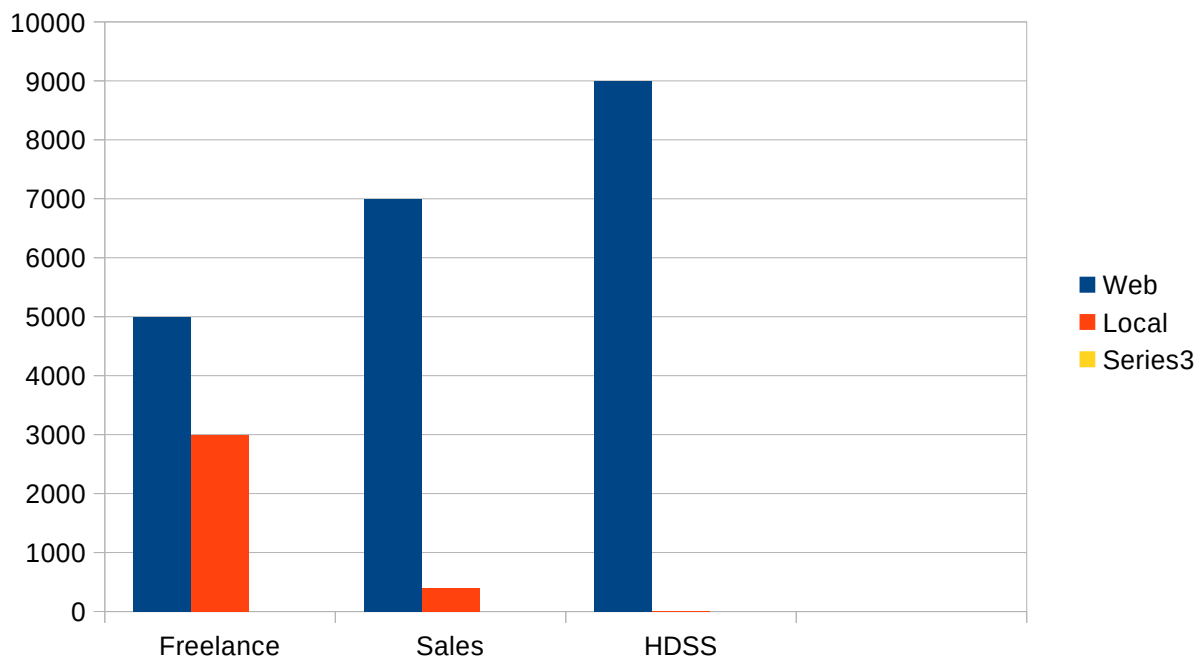

Action plan for 2024

3000 cedis *9 months => 27,000 cedis

Advance savings is 1000.00 cedis

I need to generate a side income that will be making 2000.00 cedis every month
